**GENERAL INSTRUCTIONS TO BIDDERS**

**Addendum # 2 dated February 21, 2019**

**Questions and answers**

1. There may be potential wetlands in the existing detention basin. Will a wetland investigation (and delineation) be performed by others (soil scientist)?  
**Include Wetlands Investigation and delineation in bid**
2. Will a survey of existing conditions and CAD file be provided by others?  
**Include survey of existing conditions in bid**
3. Is the project exempt from local Planning and Zoning or will a site plan approval be required?  
**Project is exempt from local Planning and Zoning, but not exempt from wetlands approval, include wetlands permitting**
4. Does the Town have specific Low Impact Development (LID) requirements for storm water? If so, can it be provided?  
**The town only encourages LID, there is not a specific requirement. The Storm water regulations are available on the Trumbull Engineering web page.**
